February 2018

Dear Fellow Animal Lover,

*Logan's Heroes Animal Rescue, Inc.* would like to invite you to be a part of **Bark N Bacon 2018!** The event will take place on **Saturday, September 29, 2018 from 12:00 PM to 4:00 PM.** We have organized this fundraiser to help raise much needed funds so that our organization can fulfill our mission to rescue animals and promote the healing power of the human/animal relationship. We have already rescued over 700 dogs, 100 cats, seven horses and even some rabbits, all in just under four years. Recently several of our rescue puppies graduated from *Tails of Valor* and go on to be partnered with a Veteran. We have seen what an incredible impact rescue animals can make in the lives of Veterans and their adopters.

**Bark N Bacon 2018** promises to be a fun and popular event for both people and dogs. We are searching for food vendors to provide a small portion of a **bacon** food item; dog treat vendors to provide a **bacon-related** dog treat and local beverage businesses to help provide drinks. These items will be available via passports purchased through *LHAR, Inc.* for this event. The passport holder will be entitled to **one** item (bacon food item or dog treat) from each vendor. Passport holders will be able to receive a limit of two drinks from the beverage vendors. There is NO participation fee for vendors who participate in the passport program. We ask that you provide the samples as your donation to participate. We also encourage you to sell additional goods throughout the entire event.

### How the event works:

*Logan's Heroes Animal Rescue, Inc.* will be selling Bark N Bacon Passports good for one person and one dog. Dogs need not attend to get their passport stamped. Others are welcome to attend without a passport to purchase food, listen to music and shop the vendors. Vendors will receive a pawprint stamp and ink pad to stamp the passport of those visitors getting their bacon sample, dog treat or drink. Vendors will also receive a numbered sign to hang at their tent to better identify stops along the way. Passports include one bacon sample from each food vendor, each dog treat vendor and a total of two drinks. Passport holders will also be entered into special drawings the day of the event for great prizes.

Please consider being a part of this event by becoming a sponsor or vendor as noted above.  
*Logan's Heroes Animal Rescue, Inc.* is a 501c3 non profit organization. Tax ID #47-2365265.  
If you have any questions, please contact us at [info@LHARinc.org](mailto:info@LHARinc.org) or by calling 484-719-7101.

Thank you,  
*Logan's Heroes Animal Rescue, Inc.*

**Some additional information:**

1. Two weeks prior to the event the bacon-related food item vendors and dog treat item vendors will be informed of the number of samples required. However, plan on a minimum of 250 4-ounce samples to give out to the passport holders.
2. If you are participating in giving samples to passport holders, we will provide a sign with a number for your table to let those passport holders better identify you. You will also receive a pawprint stamper and ink pad to stamp the passports after participants receive their samples.
3. If you are NOT participating in the passport samples, you will need to either mail in or drop off your vendor fee check or cash at the amount of \$25. This will hold your spot amongst the participating vendors. You will also be asked to mail in or drop off a raffle item. Checks can be made out to: Logan's Heroes Animal Rescue, Inc.
4. Passports are being sold prior to the event for \$30 and at the door for \$35. One passport is good for one adult and one dog.
5. Please keep in mind this is an outdoor event. We recommend bringing a small tent along with your table and sale items. The location is an open field so there will not be much shade other than the tents we will have set up for the picnic/food area. Last year we did allow vendors to park their car at their location, we can certainly accommodate that again this year.
6. Lastly, please know that by participating in this event you are helping feed and care for our rescue animals and it is greatly appreciated. We are a non-profit, all volunteer organization so funds can be limited at times. With your help we can continue our efforts in saving the lives of animals in need. Thank you very much!
